For those planning to attend the Lecture and Book Signing by Bob Bowman tomorrow, Saturday, May 10.

We have learned that the Sidewalk Cattlemen’s Association Parade is taking place at the same time as our event and will cause the street to be blocked in front of the Kimbro Center and around the town square. The faint green arrows above show the parade route.

-  The red square on this map represents the kimbro center.
-  The green squares behind the Kimbro Center represent parking for our event.
